General:

205
Application 6507 was filed on July 11, 1921, by Ethel S. Henrie to appropriate 1.0 c.f.s. of water from Meadow Valley Wash for irrigation and domestic purposes. The point of diversion is described as being within the NW $\frac{1}{4}$ NW $\frac{1}{4}$ Sec. 35, T. 7 S., R. 67 E., M.D.B.&M., and the place of use as 100 acres within the SE $\frac{1}{4}$ SE $\frac{1}{4}$ Sec. 34, T. 8 S., R. 67 E., M.D.B.&M.; NE $\frac{1}{4}$ NE $\frac{1}{4}$, NE $\frac{1}{4}$ SE $\frac{1}{4}$ Sec. 3, T. 9 S., R. 67 E., M.D.B.&M.

On June 11, 1965, correspondence from the office of the State Engineer was forwarded to Ethel S. Henrie at her last known address requesting information as to whether she wished to pursue Application 6507. The correspondence was returned to the State Engineer's office marked "Uncalled for 15 days-Believed Deceased years ago-no such person at this address."

Information received from the Lincoln County Recorder under the signature of Dominick Belingheri states the following:

"SE $\frac{1}{4}$ SE $\frac{1}{4}$ Sec. 34, T. 8 S., R. 67 E., M.D.B.&M.; NE $\frac{1}{4}$ NE $\frac{1}{4}$, NE $\frac{1}{4}$ SE $\frac{1}{4}$ Sec. 3, T. 9 S., R. 67 E., M.D.B.&M. was deeded to the United States of America on February 26, 1941. Our records show no later transaction deeding it back into individual ownership. This property is not listed on our tax roll."

It is the responsibility of the applicant to keep the State Engineer's office informed of any change in address.

Ruling:

Application 6507 is denied on the grounds that the applicant failed to submit additional information requested and also on the grounds that the applicant does not have control of the land on which she plans to place the water to beneficial use, and that the granting of said application would be detrimental to the public welfare.

Respectfully submitted,

GEORGE W. HENNEN
State Engineer
