GENERAL:

An application for a Nevada well driller's license was received in this office on February 24, 1975 with the statutory \$25.00 filing fee from B. J. Abrams, 355 Grove Street, Apt. 504, Reno, Nevada. Receipt No. 4128 for the \$25.00 fee was issued on February 24, 1975 to Mrs. Pat Glenn.

Requests for references were forwarded to five (5) persons as listed in the application on February 24, 1975. Two (2) responses were received to the requests for reference.

The applicant was advised by certified mail dated March 28, 1975 that a time was scheduled on the agenda to appear for an oral interview before the Statewide Well Drillers' Advisory Board and to submit the names of at least three (3) persons having knowledge of his experience and ability as a well driller. The applicant failed to appear before the Advisory Board as scheduled and did not submit additional names for reference as requested.

The applicant was advised a second time by certified mail dated June 26, 1975 that a time was scheduled on the agenda to appear for an oral interview before the Advisory Board and to submit the names of three (3) persons for reference. No response has been received to this date from the applicant to the request for additional references or for an expression of interest to proceed to acquire a well driller's license.

RULING:

The application of B. J. Abrams for a Nevada well driller's license is herewith denied on the grounds that the applicant failed to submit the required number of satisfactory references and failed to appear before the

Statewide Well Drillers' Advisory Board for an oral interview and, therefore, it cannot be determined that the applicant has sufficient knowledge and experience to qualify as a well driller.
