FINDING OF FACT

An application for a Nevada Well Driller's License was filed by Clifford Douthit in the office of the State Engineer on April 13, 1992, together with the statutory filing fee of \$100.00. Receipt No. 11217 was issued to Lang Exploratory Drilling for said fee.

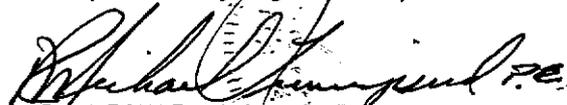

Requests for four references were mailed on April 14, 1992. References were received from three of the requests. The applicant was notified on June 23, 1992, by certified mail to appear before the Statewide Well Drillers' Advisory Board on July 9, 1992 at 1:00 p.m. in Carson City, Nevada. The certified mail receipt was signed by Lang Exploratory Drilling on June 27, 1992.¹

The applicant did not appear as requested and did not notify the Office of the State Engineer that he would not appear. The Statewide Well Driller's Advisory Board recommended denial of the application of Clifford Douthit on July 9, 1992.²

RULING

The State Engineer concurs with the recommendation of the Board and the application of Clifford Douthit is herewith denied on the grounds that the applicant failed to appear as scheduled to substantiate his experience and ability as a water well driller.
