FINDING OF FACT

An application for a Nevada Well Driller's License was filed by Ryan E. Sweden in the office of the State Engineer on April 20, 1990 together with the statutory filing fee of \$50.00. Receipt No. 10171 was issued to Becker Drills, Inc. for said filing fee.

Requests for four references were mailed on April 20, 1990. References were received from two of the requests. The applicant was notified on December 17, 1990 by certified mail to appear before the Statewide Well Drillers' Advisory Board on January 10, 1991 at 3:30 P.M. in Carson City, Nevada. The certified mail receipt was signed by Kerri L. Caro on December 20, 1990.¹

The applicant did not appear as requested and did not notify the Office of the State Engineer that he would not appear. The Statewide Well Driller's Advisory Board recommended denial of the application of Ryan E. Sweden on January 10, 1991.²

RULING

The State Engineer concurs with the recommendation of the Board and the application of Ryan E. Sweden is herewith denied on the grounds that the applicant failed to appear as scheduled to substantiate his experience and ability as a water well driller.
