RULING

# 4064

FINDING OF FACT

An application for a Nevada Well Driller's License was filed by Clarence Jerry Fulkerson in the office of the State Engineer on March 8, 1993 together with the statutory filing fee of \$100.00. Receipt No. 11736 was issued to Reynolds Electrical & Engineering Co., Inc. for said filing fee.

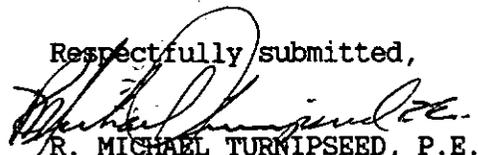

The applicant was notified on March 22, 1993 by certified mail to appear before the Statewide Well Drillers' Advisory Board on April 23, 1993 at 2:30 P.M. in Las Vegas, Nevada.

The applicant appeared as scheduled and was examined by the Board. Based upon the applicant's responses to questions about the Regulation and his attempt at determining the legal description of a point on the map, the Board finds that the applicant failed to demonstrate a good knowledge of the Regulation and experience as a well driller. The Statewide Well Driller's Advisory Board recommended denial of the application of Clarence Jerry Fulkerson on April 23, 1993.

RULING

The State Engineer concurs with the recommendation of the Board and the application of Clarence Jerry Fulkerson is herewith denied on the grounds that the applicant failed to substantiate his experience and ability as a water well driller, and did not demonstrate knowledge of the Regulation for Water Well and Related Drilling.

Respectfully submitted,
