FINDING OF FACT

An application for a Nevada Well Driller's License was filed by Robert French in the office of the State Engineer on January 4, 1991 together with the statutory filing fee of \$50.00. Receipt No. 10658 was issued to Lang Exploratory Drilling for said filing fee.

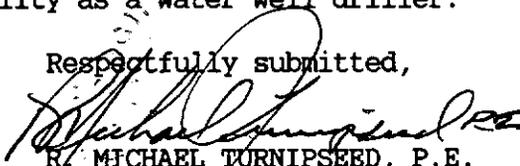

The applicant was notified on June 26, 1991 by certified mail to appear before the Statewide Well Drillers' Advisory Board on July 12, 1991 at 10:00 A.M. in Las Vegas, Nevada.¹

The applicant appeared as scheduled and was examined by the Board. Based upon the applicant's responses to questions about the Regulation and drilling equipment and practices, the Board finds that the applicant failed to demonstrate a good knowledge of the Regulation and experience as a well driller. The Statewide Well Driller's Advisory Board recommended denial of the application of Robert French on July 12, 1991.²

RULING

The State Engineer concurs with the recommendation of the Board and the application of Robert French is herewith denied on the grounds that the applicant failed to substantiate his experience and ability as a water well driller.

Respectfully submitted,

R. MICHAEL TORNIPSEED, P.E.
State Engineer
