FINDING OF FACT

An application for a Nevada Well Driller's License was filed by Luis M. Cornejo in the office of the State Engineer on December 13, 1993 together with the statutory filing fee of \$100.00. Receipt No. 12284 was issued to Eklund Drilling Co., Inc. for said filing fee.

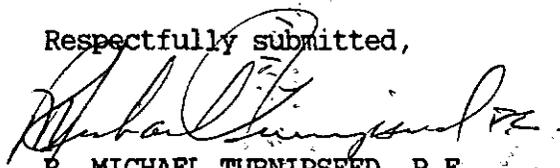

Requests for four references were mailed on December 13, 1993. References were received from four of the requests. The applicant was notified on December 8, 1994 by certified mail to appear before the Statewide Well Drillers' Advisory Board on January 12, 1995 at 8:00 A.M. in Carson City, Nevada. The certified mail receipt was signed by Donna Byines on December 13, 1994.¹

The applicant appeared as requested and was examined by the Board. The Statewide Well Driller's Advisory Board found that Luis M. Cornejo failed to demonstrate the experience and working knowledge of a water well driller, and recommended denial of his application on January 12, 1995.²

RULING

The State Engineer concurs with the recommendation of the Board and the application of Luis M. Cornejo is herewith denied on the grounds that the applicant failed to substantiate his experience and ability as a water well driller.

Respectfully submitted,
