R U L I N G

GENERAL:

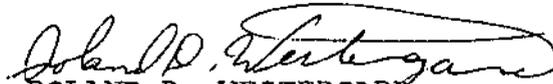

Application 16307 was filed on March 28, 1955, by Carlyle Mortensen to appropriate 0.5 c.f.s. of water from an underground source for quasi-municipal purposes. The point of diversion and the place of use were to be in the NE $\frac{1}{4}$ NE $\frac{1}{4}$ Section 12, T.21S., R.61E., M.D.B.&M.

Additional information was requested from Mr. Mortensen by means of a letter sent by certified mail on October 4, 1966. The letter was delivered to Mr. Mortensen and no answer was received.

RULING

Application 16307 is hereby denied on the grounds that the applicant failed to submit requested information and approval of this application without the requested information would be detrimental to the public welfare.

Respectfully submitted,

ROLAND D. WESTERGARD
