GENERAL:

Applications 28671 through 28679 inclusive were filed September 11, 1974 by Clair Kracaw to appropriate 8.0 c.f.s. under each application for the irrigation of 2,560 acres of land located within SE $\frac{1}{4}$ Section 25, all of Sections 26, 34 and 35, N $\frac{1}{2}$ Section 36, T.38N., R.42E. and the NW $\frac{1}{4}$ Section 3, T.37N., R.42E., M.D.B.&M.

The proposed appropriation under these applications is in close proximity to existing approved appropriations.

OPINION:

It is our opinion that the granting of additional appropriations within this concentrated area would tend to impair the value of existing rights and be otherwise detrimental to the public welfare.

RULING:

Applications 28671 through 28679 inclusive are hereby denied on the grounds that their granting would tend to impair the value of existing rights and be otherwise detrimental to the public welfare.

Respectfully submitted,

Roland D. Westergard
State Engineer
