1 was not represented here today. He was provided with
2 a copy of the notice of this hearing via certified mail.
3 It's my ruling that this application 42975 be denied on
4 the grounds that the applicant has failed to provide
5 additional information and further that the proposed use
6 under this application is within the service of the City
7 of Elko municipal water system and that testimony by the
8 City of Elko indicates that water service can be provided.

9 In the matter of application 43758 in the name
10 of Edward A. Barrington this application is denied on
11 the grounds that the applicant has failed to provide the
12 additional information and evidence as requested by the
13 State Engineer in his notice of public hearing dated
14 January 29, 1982.

15 In the matter of application 43911 by Edith
16 Jennings this application is denied again on the grounds
17 that the applicant has failed to provide the State
18 Engineer with the additional information and evidence
19 as requested by notice of the public hearing dated
20 January 29, 1982.

21 Unless you gentlemen have anything further I'll
22 declare this hearing closed.
