To grant application to appropriate the public waters for irrigation on lands the applicant does not own or control or where the applicant cannot demonstrate the ability to place the water to beneficial use, would not be in the public interest and welfare.

RULING

Application 39980 is herewith denied on the grounds that to grant the application for irrigation purposes on lands that the applicant does not own or control and cannot demonstrate the ability to place the water to beneficial use, would not be in the public interest and welfare.
