RULING

GENERAL

Application 35321 was filed on April 19, 1978, by Chabaldig Inc. to change the point of diversion and place of use of 1.0 c.f.s. of water from an underground source heretofore appropriated under Permit 26497. The proposed use is for quasi-municipal purposes to serve a 250 unit subdivision within the S1/2 SE1/4, SW1/4, SE1/4 NW1/4 Section 2; SE1/4 Section 3; and NE1/4 Section 11, T.15N., R.19E., M.D.B.&M. The proposed point of diversion is described as being within the SE1/4 SE1/4 Section 2, T.15N., R.19E., M.D.B.&M.¹

Permit 26497 is in the name of Carson City and was acquired from Grant J. Weise on December 5, 1975.¹

FINDINGS OF FACT

Carson City is the owner of record of Permit 26497. This right was transferred to Carson City on December 5, 1975, by Grant J. Weise.

CONCLUSIONS

Carson City has all right, title and interest in Permit 26497. There is no evidence that Chabaldig Inc. has any interest in Permit 26497.

RULING

Application 35321 is herewith denied on the grounds that the applicant cannot demonstrate an ownership interest in Permit 26497 which is the existing right proposed to be changed.

Respectfully submitted,

PETER G. MORROS
State Engineer
