OF THE STATE OF NEVADA

IN THE MATTER OF CANCELLED PERMIT)
54182 FILED TO APPROPRIATE THE)
UNDERGROUND WATERS OF LAS VEGAS)
ARTESIAN BASIN, CLARK COUNTY,)
NEVADA.)

RULING
3914

GENERAL

I.

Permit 54182 was approved on June 1, 1990, for 0.15 cubic feet per second for quasi-municipal purposes. The well is located in the SE1/4 of the SW1/4 of Section 4, in T.20S., R.60E., M.D.B.&M., in Clark County, Nevada.¹

II.

The proof of completion of work was due on July 1, 1992 under NRS 533.380. On October 19, 1992, the final notice was sent to the permittee stating that the proof of completion of work and well log were due. The final notice also stated that the permittee was given 30 days from the date of the final notice to file the proof of completion of work and well log or a request for extension of time. The final notice was sent by certified mail.¹

III.

On December 2, 1992, Permit 54182 was cancelled pursuant to NRS 533.390. The notification of the cancellation was sent by certified mail.¹

FINDINGS OF FACT

I.

Proof of completion of work and \$10.00 filing fee under Permit 54182 were received in the Division of Water Resources Las Vegas Office on November 19, 1992. The proof of completion and receipt of fees were forwarded to the Carson City Office and received December 2, 1992.

¹ File 54182, official records in the Office of the State Engineer.

II.

The State Engineer finds that the proof of completion was received in the Las Vegas Office within 30 days of the date of the final notice dated October 19, 1992.

III.

The State Engineer finds that there is good cause to reinstate Permit 50540.

CONCLUSIONS

I.

The State Engineer has jurisdiction in this matter under the provisions of NRS 533.325 and NRS 533.435.

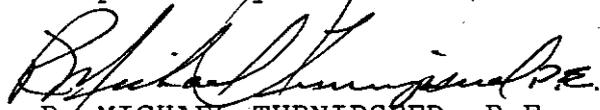

II.

The State Engineer concludes that the Proof of Completion was timely filed in the matter of Permit 54182. Therefore, Permit 54182 should be reinstated and the adequacy of the application for proof of completion shall be reviewed.

RULING

The cancellation of Permit 54182 is hereby rescinded without loss of priority on the grounds that the proof of completion was timely filed with the Division of Water Resources, Las Vegas Office. The proof of completion shall be reviewed to determine if all requirements are satisfied.

Respectfully submitted,

R. MICHAEL TURNIPSEED, P.E.
State Engineer
