## General:

24 Applications Nos. 18645 and 18646 were filed in support of Desert Land Application No. Nevada - 055136. On October 21, 1960, we were notified by the Bureau of Land Management, Reno, Nevada, that they had not taken action on the land application. As of the date of this ruling, the applicant does not have control of the land on which she plans to place the water to beneficial use.

## RULING

Applications Nos. 18645 and 18646 are hereby denied on grounds that the applicant does not have control of the land on which she plans to place the water to beneficial use and that their granting would be detrimental to the public welfare.

Respectfully submitted,
