R U L I N G

General:

Applications Nos. 18165 and 18166 were filed in support of Desert Land Application No. Nevada - 053394. On December 30, 1960, we were notified by the Bureau of Land Management, Reno, Nevada, that they had closed the land applications. As of the date of this ruling, the applicant does not have control of the land on which she plans to place the water to beneficial use.

RULING

Applications Nos. 18165 and 18166 are hereby denied on grounds that the applicant does not have control of the land on which she plans to place the water to beneficial use, and that their granting would be detrimental to the public welfare.

Respectfully submitted,
