General:

163  
Application 19662 was filed in support of Desert Land Application Nevada-054957. On July 12, 1962, we were notified by the Bureau of Land Management, Reno, Nevada, that they had rejected the land application. As of the date of this ruling, the applicant does not have control of the land on which she plans to place the water to beneficial use.

RULING

Application 19662 is hereby denied on grounds that the applicant does not have control of the land on which she plans to place the water to beneficial use, and that its granting would be detrimental to the public welfare.

Respectfully submitted,

ELMO J. DeRICCO  
State Engineer
