General:

Application 15403 was filed in support of Desert Land Application Nevada - 018330. On June 6, 1955 the Desert Land Entry was allowed and on October 25, 1956 was cancelled for failure of the entryman to comply with the annual proof requirements. As of the date of this ruling, the applicant does not have control of the land on which he plans to place the water to beneficial use.

RULING

Application 15403 is hereby denied on the grounds that the applicant does not have control of the land on which he plans to place the water to beneficial use, and that its granting would be detrimental to the public welfare.

Respectfully submitted,
