RULING

GENERAL

An application for a Nevada well driller's license was filed by Reyes Quintero in the Office of the State Engineer on January 6, 1989, together with the statutory filing fee of \$50.00. Receipt No. 9643 was issued to H-F Drilling, Inc. for said filing fee.

Requests for four references were mailed on January 6, 1989. A response was received from three of the individuals. The applicant was notified by certified mail to appear before the Statewide Well Drillers' Advisory Board on April 7, 1989 at 11:00 A.M. in Las Vegas Nevada.

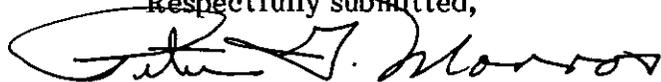

CONCLUSIONS

The applicant was notified by certified mail to appear before the Statewide Well Drillers' Advisory Board for an oral interview on April 7, 1989. The applicant did not appear as requested and did not notify the Office of the State Engineer that he would not appear. The Statewide Well Drillers' Advisory Board recommends denial of the application of Reyes Quintero.

RULING

The application of Reyes Quintero is herewith denied on the grounds that the applicant has failed to substantiate his experience and ability as a water well driller.

Respectfully submitted,

Peter G. Morros
