FINDING OF FACT

An application for a Nevada Well Driller's License was filed by Thomas Schilz in the Office of the State Engineer on March 23, 2011, together with the statutory filing fee.¹

Requests for four references were mailed on March 23, 2011. A Response was received from one of the requests. The Applicant was notified on April 5, 2011, by certified mail to appear before the Statewide Well Drillers' Advisory Board on May 4, 2011, at 8:00 a.m. in Carson City. The applicant did not appear as requested and did not notify the Office of the State Engineer that he would not appear. The Statewide Well Drillers' Advisory Board recommended denial of the application of Thomas Schilz on May 4, 2011.²

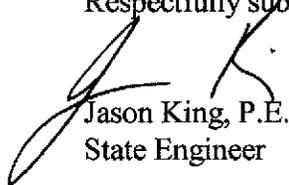

CONCLUSION

The State Engineer concludes that the Applicant failed to pass all three portions of the examination as required in the NAC § 534.282 (1) (g), (2) (b) and NAC § 534.286.

RULING

The State Engineer concurs with the recommendation of the Statewide Well Driller's Advisory Board and the application of Thomas Schilz is herewith denied on the grounds that the Applicant failed to substantiate his experience and ability as a water well driller.

Respectfully submitted,
