MAP SHOWING SPRINGS ON THE MALOY RANGE.

SURVEYED FOR ADAMS-McGILL COMPANY.

JULY - 1913. BY- ED. MILLARD & SON. ELY - NEVADA.

SCALE 1-IN. = 2000 FT.

Note:-
These springs were located by traverse from the NE. Cor. T. 3 N., R. 64 E., which was the nearest Gov. Corner that could be found. We have no ties to corners in T. 5 N., R. 65 E. This township was surveyed in 1922, nine years after our survey of the Springs. E. M. & Son.
