FINDING OF FACTS

An application for a Nevada well driller's license was filed by W.R. Eberspecher in the Office of the State Engineer on May 19, 1986, together with the statutory filing fee of \$50.00. Receipt No. 8424 was issued to W.R. Eberspecher for said filing fee.

Requests for five references were mailed on May 19, 1986. A response was received from three of the individuals. The applicant was notified by certified mail to appear before the Statewide Well Drillers' Advisory Board on July 11, 1986, October 16, 1986, January 16, 1987 and April 3, 1987. He appeared before the Board on two separate occasions, he was asked to return when he had a working knowledge of the Regulations.

CONCLUSIONS

The applicant was notified by certified mail to appear before the Statewide Well Drillers' Advisory Board for an oral interview on May 19, 1988. The applicant did not appear as requested and did not notify the Office of the State Engineer that he would not appear. The Statewide Well Drillers' Advisory Board recommends denial of the application of W.R. Eberspecher.

RULING

The application of W.R. Eberspecher is herewith denied on the grounds that the applicant has failed to substantiate his experience and ability as a water well driller.
