FINDING OF FACT

An application for a Nevada Well Driller's License was filed by Robert L. Way in the office of the State Engineer on March 7, 1990 together with the statutory filing fee of \$50.00. Receipt No. 10139 was issued to Way's Drilling for said filing fee.

Requests for four references were mailed on March 7, 1990. References were received from five of the requests. The applicant was notified on August 28, 1990 by certified mail to appear before the Statewide Well Drillers' Advisory Board on October 12, 1990 at 11:30 A.M. in Las Vegas, Nevada. The certified mail receipt is not in the applicants file.

The applicant did not appear as requested and did not notify the Office of the State Engineer that he would not appear. The Statewide Well Driller's Advisory Board recommended denial of the application of Robert L. Way on October 12, 1990.

RULING

The State Engineer concurs with the recommendation of the Board and the application of Robert L. Way is herewith denied on the grounds that the applicant failed to appear as scheduled to substantiate his experience and ability as a water well driller.

Respectfully submitted,
