FINDING OF FACT

An application for a Nevada Well Driller's License was filed by Danny G. Jones in the office of the State Engineer on January 19, 1984 together with the statutory filing fee of \$50.00. Receipt No. 7606 was issued to USECB Jt. Venture for said filing fee.

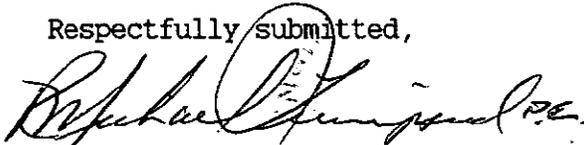

Requests for four references were mailed on January 24, 1984. References were received from four of the requests. The applicant was notified on March 28, 1984 by certified mail to appear before the Statewide Well Drillers' Advisory Board on July 12, 1984 at 10:30 A.M. in Carson City, Nevada. The certified mail receipt was signed by Sheryel Jones on July 6, 1984.¹

The applicant did not appear as requested and did not notify the Office of the State Engineer that he would not appear. The Statewide Well Driller's Advisory Board recommended denial of the application of Danny G. Jones on July 12, 1984.²

RULING

The State Engineer concurs with the recommendation of the Board and the application of Danny G. Jones is herewith denied on the grounds that the applicant failed to appear as scheduled to substantiate his experience and ability as a water well driller.
