R U L I N G

GENERAL:

An application for a Nevada well driller's license was received in this office on February 15, 1978, together with the statutory \$25.00 filing fee. Receipt No. 5059 was issued to David W. May. Requests for four (4) references were mailed on February 16, 1978. To date, four references have been received.

A letter was mailed on March 27, 1978 for the applicant to make an appointment for a personal interview with this office within two weeks of the date of the letter. Mr. Kawchack and Mr. Muth of the Statewide Well Driller's Advisory Board recommended that the applicant be licensed based on the strength of his references if the applicant was interviewed by a member of the State Engineer's staff. The applicant has failed to respond for an appointment for an interview.

RULING

The application of David W. May is herewith denied on the grounds that the applicant has failed to substantiate his experience and ability as a water well driller in an oral interview.

Respectfully submitted,

Roland D. Westergard
State Engineer
