

OFFICE OF THE STATE ENGINEER
OF THE STATE OF NEVADA

4050

IN THE MATTER OF APPLICATION FOR A)
WELL DRILLER'S LICENSE FILED BY)
JAMES D. ROBERTS)

RULING

FINDING OF FACT

An application for a Nevada Well Driller's License was filed by James D. Roberts in the office of the State Engineer on June 6, 1986 together with the statutory filing fee of \$50.00. Receipt No. 8577 was issued to Nevada Gold Mining, Inc. for said filing fee.

The applicant was notified on June 26, 1986 by certified mail to appear before the Statewide Well Drillers' Advisory Board on July 10, 1986 at 2:00 p.m. in Carson City, Nevada.¹

The applicant appeared as scheduled and was examined by the Board. Based upon the applicant's responses to questions about the Regulation and drilling equipment and practices, the Board finds that the applicant failed to demonstrate a good knowledge of the Regulation and experience as a well driller and recommended that the applicant be rescheduled for another examination by the Board.¹

The State Engineer finds that the applicant was not rescheduled for another examination by the Board.¹

The applicant was requested by certified mail September 1, 1993 to state his intentions within 30 days regarding a water well drilling license in the State of Nevada. The certified envelopment was returned marked "Attempted - Not known" on September 14, 1993.¹

After considering this application the Statewide Well Drillers' Advisory Board recommended denial of the application of James D. Roberts on October 14, 1993.²

¹ Well driller license file is public record in the office of the State Engineer.

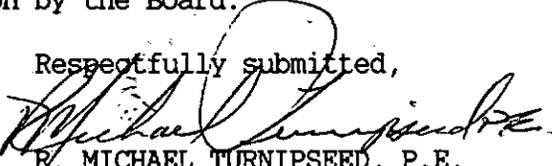

² Transcript of pertinent part of Statewide Well Drillers' Advisory Board meeting on October 14, 1993, filed in well driller license file.

Ruling
James D. Roberts

RULING

The State Engineer herewith denies the application of James D. Roberts on the grounds that the applicant failed to advise this office as to his current address and cannot be scheduled for examination by the Board.

Respectfully submitted,

E. MICHAEL TURNIPSEED, P.E.
State Engineer

RMT/CAB/jjs
