RULING

#4077

FINDING OF FACT

An application for a Nevada Well Driller's License was filed by Hal Dawson in the office of the State Engineer on January 30, 1991 together with the statutory filing fee of \$50.00. Receipt No. 10662 was issued to Pezonella Associates for said filing fee.

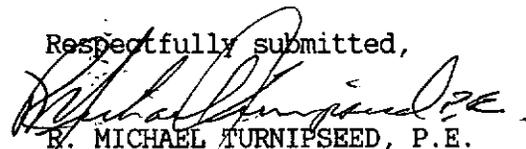

The applicant was notified on March 25, 1991 by certified mail to appear before the Statewide Well Drillers' Advisory Board on April 11, 1991 at 9:30 A.M. in Carson City, Nevada.<sup>1</sup>

The applicant appeared as scheduled and was examined by the Board. Based upon the applicant's responses to questions about the Regulation and drilling equipment and practices, the Board finds that the applicant failed to demonstrate a good knowledge of the Regulation and experience as a well driller. The Statewide Well Driller's Advisory Board recommended denial of the application of Hal Dawson on April 11, 1991.<sup>2</sup>

RULING

The State Engineer concurs with the recommendation of the Board and the application of Hal Dawson is herewith denied on the grounds that the applicant failed to substantiate his experience and ability as a water well driller and did not demonstrate knowledge of the Regulations for Water Well and Related Drilling.

Respectfully submitted,

  
R. MICHAEL TURNIPSEED, P.E.
