FINDING OF FACT

An application for a Nevada Well Driller's License was filed by Eugene M. Hannan in the office of the State Engineer on December 20, 1989 together with the statutory filing fee of \$50.00. Receipt No. 10117 was issued to Eklund Drilling Co., Inc. for said filing fee.

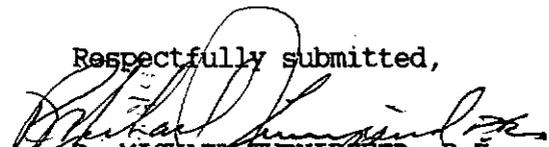

The applicant was notified on April 25, 1990 by certified mail to appear before the Statewide Well Drillers' Advisory Board on May 11, 1990 at 11:00 A.M. in Elko, Nevada.¹

The applicant appeared as scheduled and was examined by the Board. Based upon the applicant's responses to questions about the Regulation and drilling equipment and practices, the Board finds that the applicant failed to demonstrate a good knowledge of the Regulation and experience as a well driller. The Statewide Well Driller's Advisory Board recommended denial of the application of Eugene M. Hannan on May 11, 1990.²

RULING

The State Engineer concurs with the recommendation of the Board and the application of Eugene M. Hannan is herewith denied on the grounds that the applicant failed to substantiate his experience and ability as a water well driller.

Respectfully submitted,

R. MICHAEL TURNIPSEED, P.E.
State Engineer
