RULING #5267

FINDING OF FACT

An application for a Nevada Well Driller's License was filed by Matt Walker in the Office of the State Engineer on May 12, 2003, together with the statutory filing fee of \$100.00. Receipt No. 17286 was issued to Water Development Corporation for said filing fee.

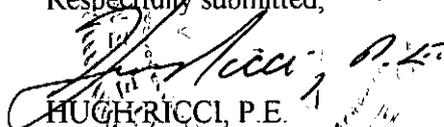

The applicant was notified on May 12, 2003, by certified mail to appear before the Statewide Well Drillers' Advisory Board on May 15, 2003, at 8:00 a.m. in Carson City, Nevada.¹

The applicant appeared as scheduled and was examined by the Board. Based upon the applicant's responses to questions about the Regulation and drilling equipment and practices, the Board finds that the applicant did not have the required two years of experience as a well driller. The Statewide Well Drillers' Advisory Board recommended denial of the application of Matt Walker on May 15, 2003.²

RULING

The State Engineer concurs with the recommendation of the Board and pursuant to NAC § 534.282 Subsection 2, the application of Matt Walker is herewith denied on the grounds that the applicant failed to substantiate his experience and ability as a water well driller.

Respectfully submitted,
