NOTICE OF INTENT

No. 37511

Today's Date:

6/20/13

Intended Start Date:

7/15/13

Type of Work to be Done: Drilling: Deepening: Reconditioning: Plugging:

Is this a replacement well? Yes No

If there is an existing well, what is the well log number? N/A

Proposed use of well: Monitor

Diameter of well: 4 inches

Number of wells: 1

If this well is a domestic well, is it located within a water purveyors service area? Yes No

If yes, what is the DOM waiver: N/A

If this is a monitor well required by another government agency, what is the facility ID number?

N/A

If this well is being completed under a waiver please provide the corresponding waiver number:

MO2957

If a water right is associated with this well, what is the permit number?

N/A

Location of the well by Public Land Survey:

SW 1/4 NW 1/4 Sec. 25 T 10 N 5 R 46 E

Latitude:

UTM E 579068.5

NAD 27

Longitude:

Waiver MO-2957

Carl Brechtel
Chief Operating Officer
Corvus Gold Nevada, Inc.
9137 Ridgeline Blvd., #250
Highlands Ranch, Colorado 80129

RE: Request for waiver to install one (1) monitor well within a **nondesignated basin** (Oasis Valley Basin) located within the SW $\frac{1}{4}$ of the NW $\frac{1}{4}$ of Section 25, T.10S, R.46E (UTM Easting: 519068.5 UTM Northing 4098997.4, NAD 27), and within the Oasis Valley Basin (228).

Dear Mr. Brechtel:

As provided in Nevada Administrative Code (NAC) § 534.450 of the Regulation for Water Well and Related Drilling, permission is herewith **granted** to install the subject well to collect baseline data for the North Bullfrog Project, as described in your request received July 3, 2013. Your statement ensuring the Corvus Gold Nevada, Inc. responsibility for abandonment of these wells upon project completion was received in this office on July 3, 2013.

This request is also based on NAC § 534.310 (3)(c): Nondesignated basins which states, "In basins which have not been designated by the State Engineer, a waiver is required for any water well: That may be used as a monitor well." This waiver is hereby issued in accordance to NAC § 534.310 (3)(c), allowing you to install the subject well within a nondesignated basin (Basin 228).

The purpose of this monitor well is to collect baseline data for the North Bullfrog Project on the groundwater levels and water quality in the vicinity of the Bullfrog Hills, Basin 228, Nye County, Nevada. The wellhead shall be protected from damage due to vandalism or sunlight. These wells may be completed with ASTM F-480 (Sch. 40 or heavier) well casing as provided in NAC § 534.362.

Glued casing joint connections will not be allowed. Full compliance with the remainder of the statute and regulation is required.

A plot map showing the actual location of the completed wells must be submitted upon completion of the drilling operations. Please include an accurate description of the location of the wells and piezometers on the completion reports (GPS coordinates are required).

The well driller's reports shall bear this waiver number: MO-2957.

Authorization to drill under this waiver expires one (1) year from the date of this letter.

The well driller must have a copy of this waiver in possession at all times during drilling activities pertaining to this project. This well may only be pumped when necessary to obtain samples.

All wells shall be plugged and abandoned, as provided by regulation, upon project completion. The current owner of the non-assessed parcel listed on the previous page is shown as Bureau Land Management by the records of the Nye County Assessor's office. This waiver does not imply or grant any land use agreements between Bureau Land Management and any land owners. It is expressly understood that this authorization does not relieve the operator of the requirements of any other state, federal or local agencies.

If you have any questions, please contact this office at 702-486-2770.

Sincerely,

Tracy Geter
Drilling Supervisor
