Dear Mr. Johnston:

In regards to your request to waive order 765 issued May 18, 1981 with respect to sealing wells within certain townships and ranges in the Fallon area.

After consulting with the State Engineer, a waiver is hereby approved to drill a water well to a depth of 28 feet and seal to a minimum depth of 15 feet. All other regulations for drilling wells will apply.

A copy of this waiver must be given to the well driller and he must indicate on the well log when filed that a waiver was granted this date.

Sincerely,

A handwritten signature in cursive script, appearing to read "Dick L. Williford".
