

Log # 30825
Basin # 4-61

NE 1/4 NE 1/4 Section 19, T. 36N., R. 50E

Stewart Brothers
DRILLING CO.

January 6, 1988 1989

State Engineer
Division of Water Resources
Capitol Complex
201 S. Fall St.
Carson City, NV 89710

Re: Notice of Intent # 4033/Driller's Report of 11-3-88

To Whom It May Concern:

The above referenced well has been plugged and abandoned. All water bearing formations were above the mill slotted tubing. The 2 inch tubing was filled with neat cement from the bottom to the top.

Should you have any questions, please call.

Sincerely,

David H. Stewart
Nevada License 1545

CC: Ms. Laurie Wilson-Newmont Gold Co.

Plugging of log # 30572

January 6, 1989
