RE: Test hole on Fred Mtn. Road, Red Rock Estates NV

Mr. Crowe;

Enclosed is a copy of State Regulations for plugging a well and your copy of the well report. I will send in the original well report to State Engineer when we know if you wish to go further with drilling or abandon the test hole. I have 30 days from drilling date to send it in. Wayne Drilling will abandon test hole at no extra charge when balance is paid in full, if you wish to go ahead to abandon well that is.

If you have any further questions please call.

Sincerely,

Ingrid Hedman

Michael, Crowe is a truck driver and is gone alot. Not easy to track down. As of today he had still not heard from the hydrologist. I have not totally given up on this test hole, but wanted to send you what we did have. As I know more I will certainly let you know. Thanks for being patient on this one.
