INVITATION TO QUOTE

The Elko County School District is soliciting quotes to complete the abandonment of the Carlin geothermal well, permit #NEV60011.

The scope of work will include:

- 1> Removal of the existing pump and ancillary equipment.
- 2> Plug and abandonment of the well.

The motor is 30 horse power, mounted above ground on a Berkely pump.

The well consists of a 904 foot bore hole, 8-5/8 inch casing from ground level to a depth of 821 feet, 6-5/8 inch casing from 811 feet to 904 feet.

A site visit is required prior to quoting this project.

All work will comply with all applicable State of Nevada standards and regulations. All permits and fees for said work shall be the responsibility of the contractor.

Jobsite security and safety precautions shall be the responsibility of the contractor. Suitable barriers or temporary fencing shall be erected to limit access to the jobsite for the protection of students and others in the vicinity.

Abandoned equipment shall become the property of the contractor and shall be removed from the site upon completion of the project. The jobsite shall be left in good order, free of debris with any excavation properly backfilled and graded at the end of the project.

Proof of proper licensing and liability insurance shall be furnished with the quote. Direct any questions to Steve Bowers at the Elko County School District Administration Office at 738-5196. The Elko County School District reserves the right to reject any or all quotes.

QUOTES ARE DUE: **SEPTEMBER 10, 1992 AT 2:00 PM**
