APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion, place and manner of use of a portion of the waters of an underground source as heretofore granted under Permit 14576, Certificate 5329 is issued subject to the terms and conditions imposed in said Permit 14576, Certificate 5329 and with the understanding that no other rights on the source will be affected by the change proposed herein. The well shall be equipped with a 2-inch opening and a totalizing meter must be installed and maintained in the discharge pipeline near the point of diversion and accurate measurements must be kept of water placed to beneficial use. The totalizing meter must be installed before any use of the water begins or before the proof of completion of work is filed. If the well is flowing, a valve must be installed and maintained to prevent waste. This source is located within an area designated by the State Engineer pursuant to NRS 534.030. The State retains the right to regulate the use of the water herein granted at any and all times.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

This permit is issued with the understanding that upon cancellation or withdrawal, the right under this permit shall revert to the source and not to the base right.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.025 cubic feet per second, but not to exceed 10

acre-feet annually.

Work must be prosecuted with reasonable diligence and be completed on or before May 21, 1994

Proof of completion of work shall be filed before June 21, 1994

Application of water to beneficial use shall be made on or before May 21, 1997

Proof of the application of water to beneficial use shall be filed on or before June 21, 1997

Map in support of proof of beneficial use shall be filed on or before N/A

Completion of work filed JAN 28 2000

Proof of beneficial use filed.....
