Protested _____

DENIAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby DENY the same, subject to the following limitations and conditions:

Application 62616 is hereby denied on the grounds that the water right that forms the basis for the change application is cancelled; thus, no water right exists that can be changed by Application 62616.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed _____ cubic feet per second.

Work must be prosecuted with reasonable diligence and be completed on or before: _____

Proof of completion of work shall be filed before: _____

Application of water to beneficial use shall be filed on or before: _____

Proof of the application of water to beneficial use shall be filed on or before: _____

Map in support of proof of beneficial use shall be filed on or before: _____
