15. Remarks: The permit terms for 62863 ties the water to Assessor's Parcel Numbers 1420-31-000-001 and 1420-31-000-002, previously 21-290-84 and 21-290-85, respectively (APN 21-290-27 was the parent parcel.) Both of these APN's are within the East Valley Water System Service Area. It seems appropriate that the water right should be within the same service area where the two parcels lie.
