Under the provisions of NRS 533.425, the State Engineer has determined the date, source, purpose, amount of appropriation, and the place where such water is appurtenant, as follows:

Name of appropriator:	Washoe County
Source:	Truckee River
Manner of use:	Municipal
Amount of appropriation:	0.080 c.f.s., but not to exceed 13.51 acre-feet as decreed
Period of use:	As Decreed
Date of priority of appropriation:	*April 7, 1876

Description of the works of diversion, manner and place of use:

The water is diverted from the Truckee River via Orr Ditch, Orr Ditch Pump Station, Steamboat Canal, Highland Ditch, Idlewild Treatment Plant and North Truckee Ditch, thence the water is treated and pumped into Truckee Meadows Water Authority's water distribution system to Washoe County's distribution system. The overall system ultimately conveys the treated wholesale water to existing Hidden Valley water customers, or the water can be pumped from Hidden Valley Induction Well #4 to Washoe County's Longley Lane Water Treatment Plant to existing Hidden Valley water customers within the place of use approved under the permit as depicted by record (map and legal description), which is filed in the Office of the State Engineer; otherwise known as Washoe County's Hidden Valley Service Area as it existed at the time of the filing of Application 62287.

*This certificate changes the point of diversion of Permit 60628, which changed the point of diversion, manner and place of use of a portion of Permit 11489, Certificate 4827, which changed the point of diversion of Claim 254, Truckee River Final Decree, United States v. Orr Water Ditch Co., In Equity Docket No. A-3 (D. Nevada 1944); therefore, the date of priority remains the same as Claim 254.

This certificate is issued subject to the terms of the permit and specifically subject to the continuing jurisdiction and regulation by the Federal Water Master and the State Engineer.

The right to water hereby determined is limited to the amount which can be beneficially used, not to exceed the amount above specified, and the use is restricted to the place and for the purpose as set forth herein.

IN TESTIMONY WHEREOF, I, JASON KING, P.E., State Engineer of Nevada, have hereunto set my hand and the seal of my office, this 17th day of December, 2012.
