

IN THE OFFICE OF THE STATE ENGINEER
OF THE STATE OF NEVADA

O R D E R

Hunsaker, S. V. & Sons, Inc.
c/o Eastwood Minerals & Energy Company
P. O. Box 858
Houston, Texas 77001

Dear Sirs:

You have placed a solid dam this last fall in what is known as Tinker Slough. This dam has been removed in the past because the ranch failed to comply with a letter and order dated March 22, 1963 (copies enclosed).

You are hereby ordered and given notice that you are required under the provision of NRS 535.050 to remove immediately the obstruction you have placed in the Tinker Slough.

Roland D. Westergard
State Engineer
