

IN THE OFFICE OF THE STATE ENGINEER
STATE OF NEVADA

ORDER

Joe Sandino, et ux
818 Park Paseo
Las Vegas, Nevada 89104

Certificate 3945 (Permit 12766) was issued for 0.013 c.f.s. of water from an underground source for domestic purposes. The point of diversion of water from the source is described as being within the NE $\frac{1}{4}$ SW $\frac{1}{4}$ Section 23, T.20S., R.61E., M.D.M.

Nevada Revised Statutes provide that failure for five (5) successive years to use beneficially all or any part of the underground water for the purpose for which such right has been acquired shall work a forfeiture to the use of such water to the extent of such nonuse.

Records, evidence and information on file in the Office of the State Engineer indicate that there has been no beneficial use of water under the subject Certificate and Permit for a period in excess of five (5) successive years.

It is hereby ordered that Certificate 3945 (Permit 12766) is declared forfeited in its entirety.

Roland D. Westergard
State Engineer

Dated this 10th day of
March, 1977.
