

IN THE OFFICE OF THE STATE ENGINEER
OF THE STATE OF NEVADA

O R D E R

Mr. Robert L. Hilburn
610 Erica Place
Oxnard, California 93030

An investigation held on April 13, 1978 determined that you were preparing to divert water from a well located in the SE $\frac{1}{4}$ SE $\frac{1}{4}$, Section 22, T.2S., R.35E., M.D.B. & M. Application 32206 was filed by Robert L. Hilburn on June 22, 1977 to appropriate water from the well at the described point of diversion. Application 32206 was denied on March 31, 1978. On the date of the investigation, you indicated that you had also drilled a second well for irrigation in the NW $\frac{1}{4}$ NE $\frac{1}{4}$, Section 27, T.2S., R.35E., M.D.B. & M.

Nevada Revised Statutes 534.050, Subsection 3, provides as follows: "Any person using water after a permit has been withdrawn, denied, cancelled, revoked or forfeited is guilty of a misdemeanor. Each day of violation of this subsection shall constitute a separate offense and be separately punishable." Records indicate that there are no existing rights to divert and use water from a well in the SE $\frac{1}{4}$ SE $\frac{1}{4}$, Section 22, T.2S., R.35E., or a well in the NW $\frac{1}{4}$ NE $\frac{1}{4}$, Section 27, T.2S., R.35E.

You are hereby notified and ordered to cease and refrain from using water from the wells described.

ROLAND D. WESTERGARD
State Engineer

Dated at Carson City, Nevada
this 21st day of April, 1978.
