Applications 16808 and 18752 were filed on December 18, 1955 and April 25, 1960, respectively, for permission to appropriate the public waters of the State of Nevada.

Permits were granted under the provisions of NRS 534.120 and issued subject to revocation when water was available from the Las Vegas Valley Water District.

Water is now available from the City of North Las Vegas and the City of North Las Vegas is, in fact, presently providing water service.

IT IS HEREBY ORDERED that Permit 16808, Certificate 4981, and Permit 18752 are revoked and no further proceedings shall be had thereunder.

IT IS ALSO ORDERED that the wells drilled under these permits be plugged in accordance with Part 14 of the State of Nevada, Division of Water Resources "Regulations for Drilling Water Wells" and that plugging be completed within 60 days from the date of this order.
