for the

waters of an underground source (Casey Hot Springs Well)

situated in Humboldt

an underground source or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

1. Concerned about the setting of a precedence to allow over appropriation of a basin to be transferred out of that basin.
2. No proof of beneficial use. At this time it is purely speculation.
3. It limits or impedes future development in Humboldt County.
4. Out of basin water transfer will over appropriate the basin

THEREFORE the Protestant requests that the application be

DENIED

Denied, issued subject to prior rights, etc., as the case may be

and that an order be entered for such relief as the State Engineer deems just and proper
