

TERMS OF SALE

GRAZING AND AGRICULTURAL LAND

CASH-Ten per cent discount from list prices will be allowed for all cash at time of purchase, provided that sales amounting to less than \$300.00 will be made only for cash and without any discount.

10 YEAR CONTRACTS-One-tenth of the purchase money payable at time of purchase. At the end of the first year, interest only, at the rate of six per cent per annum on the deferred purchase money, to be payable. At the end of the second year, and each year thereafter, one-tenth of the purchase money to become due, together with interest on the deferred amount, at the rate of six per cent per annum.

Contracts may be paid in full at any time before maturity, and interest will be charged only to date of final payment. When such payment in full is made within five years of date of contract, a five per cent discount will be allowed upon unmatured installments of principal having more than nine months to run.

19 YEAR AMORTIZATION CONTRACTS-If desired, agricultural land may be purchased under contract requiring the construction of a dwelling house and the initiation of residence within ten months, one-fourth the area to be in cultivation within one year and ten months, one-half the area to be in cultivation within three years and ten months, the acquirement of water rights when necessary, continuous residence and cultivation until the contract is paid in full.

Payments to become due as follows:

7 1/2 % of the purchase price at the time of purchase, 19 deferred amortization installments, each being equal to 8.29% of the purchase price payable annually, the total thereof embracing the purchase price and the annually accruing interest.

Upon default in compliance with the residence and cultivation provisions, the thereafter accruing annual payments to be doubled until the contract is thereby paid in full.

Contracts may be paid in full in advance of maturity with the consequent stoppage of interest, but no discount will be allowed upon unmatured principal installments.

In special cases the Amortization Contracts may provide for five annual interest installments payable prior to the 19 amortization payments.
