

The above is a range map of J M Priority of Challis, Elko County Nevada  
This is the land used for cattle and horse on the Purose range

in the Forest (Humboldt) Reserve. The cattle range runs north to Rattlesnake  
Creek in Townships 46 North in both 56 and 57 ranges.

Some years ago a range map was filed with the State Engineer showing  
the above land together with all land tributary or rather on the Beuneau  
River water shed to Rattlesnake Creek, or putting it in another way  
all land in the Columbia River water shed tributary to the Beuneau River  
from the Summit to Rattlesnake Creek.

J. M. Priority Challis, Nevada.
