

RANGES Used by E.J. Fee - cattle - and FEE + MARTIN - sheep.

CALIFORNIA

OREGON

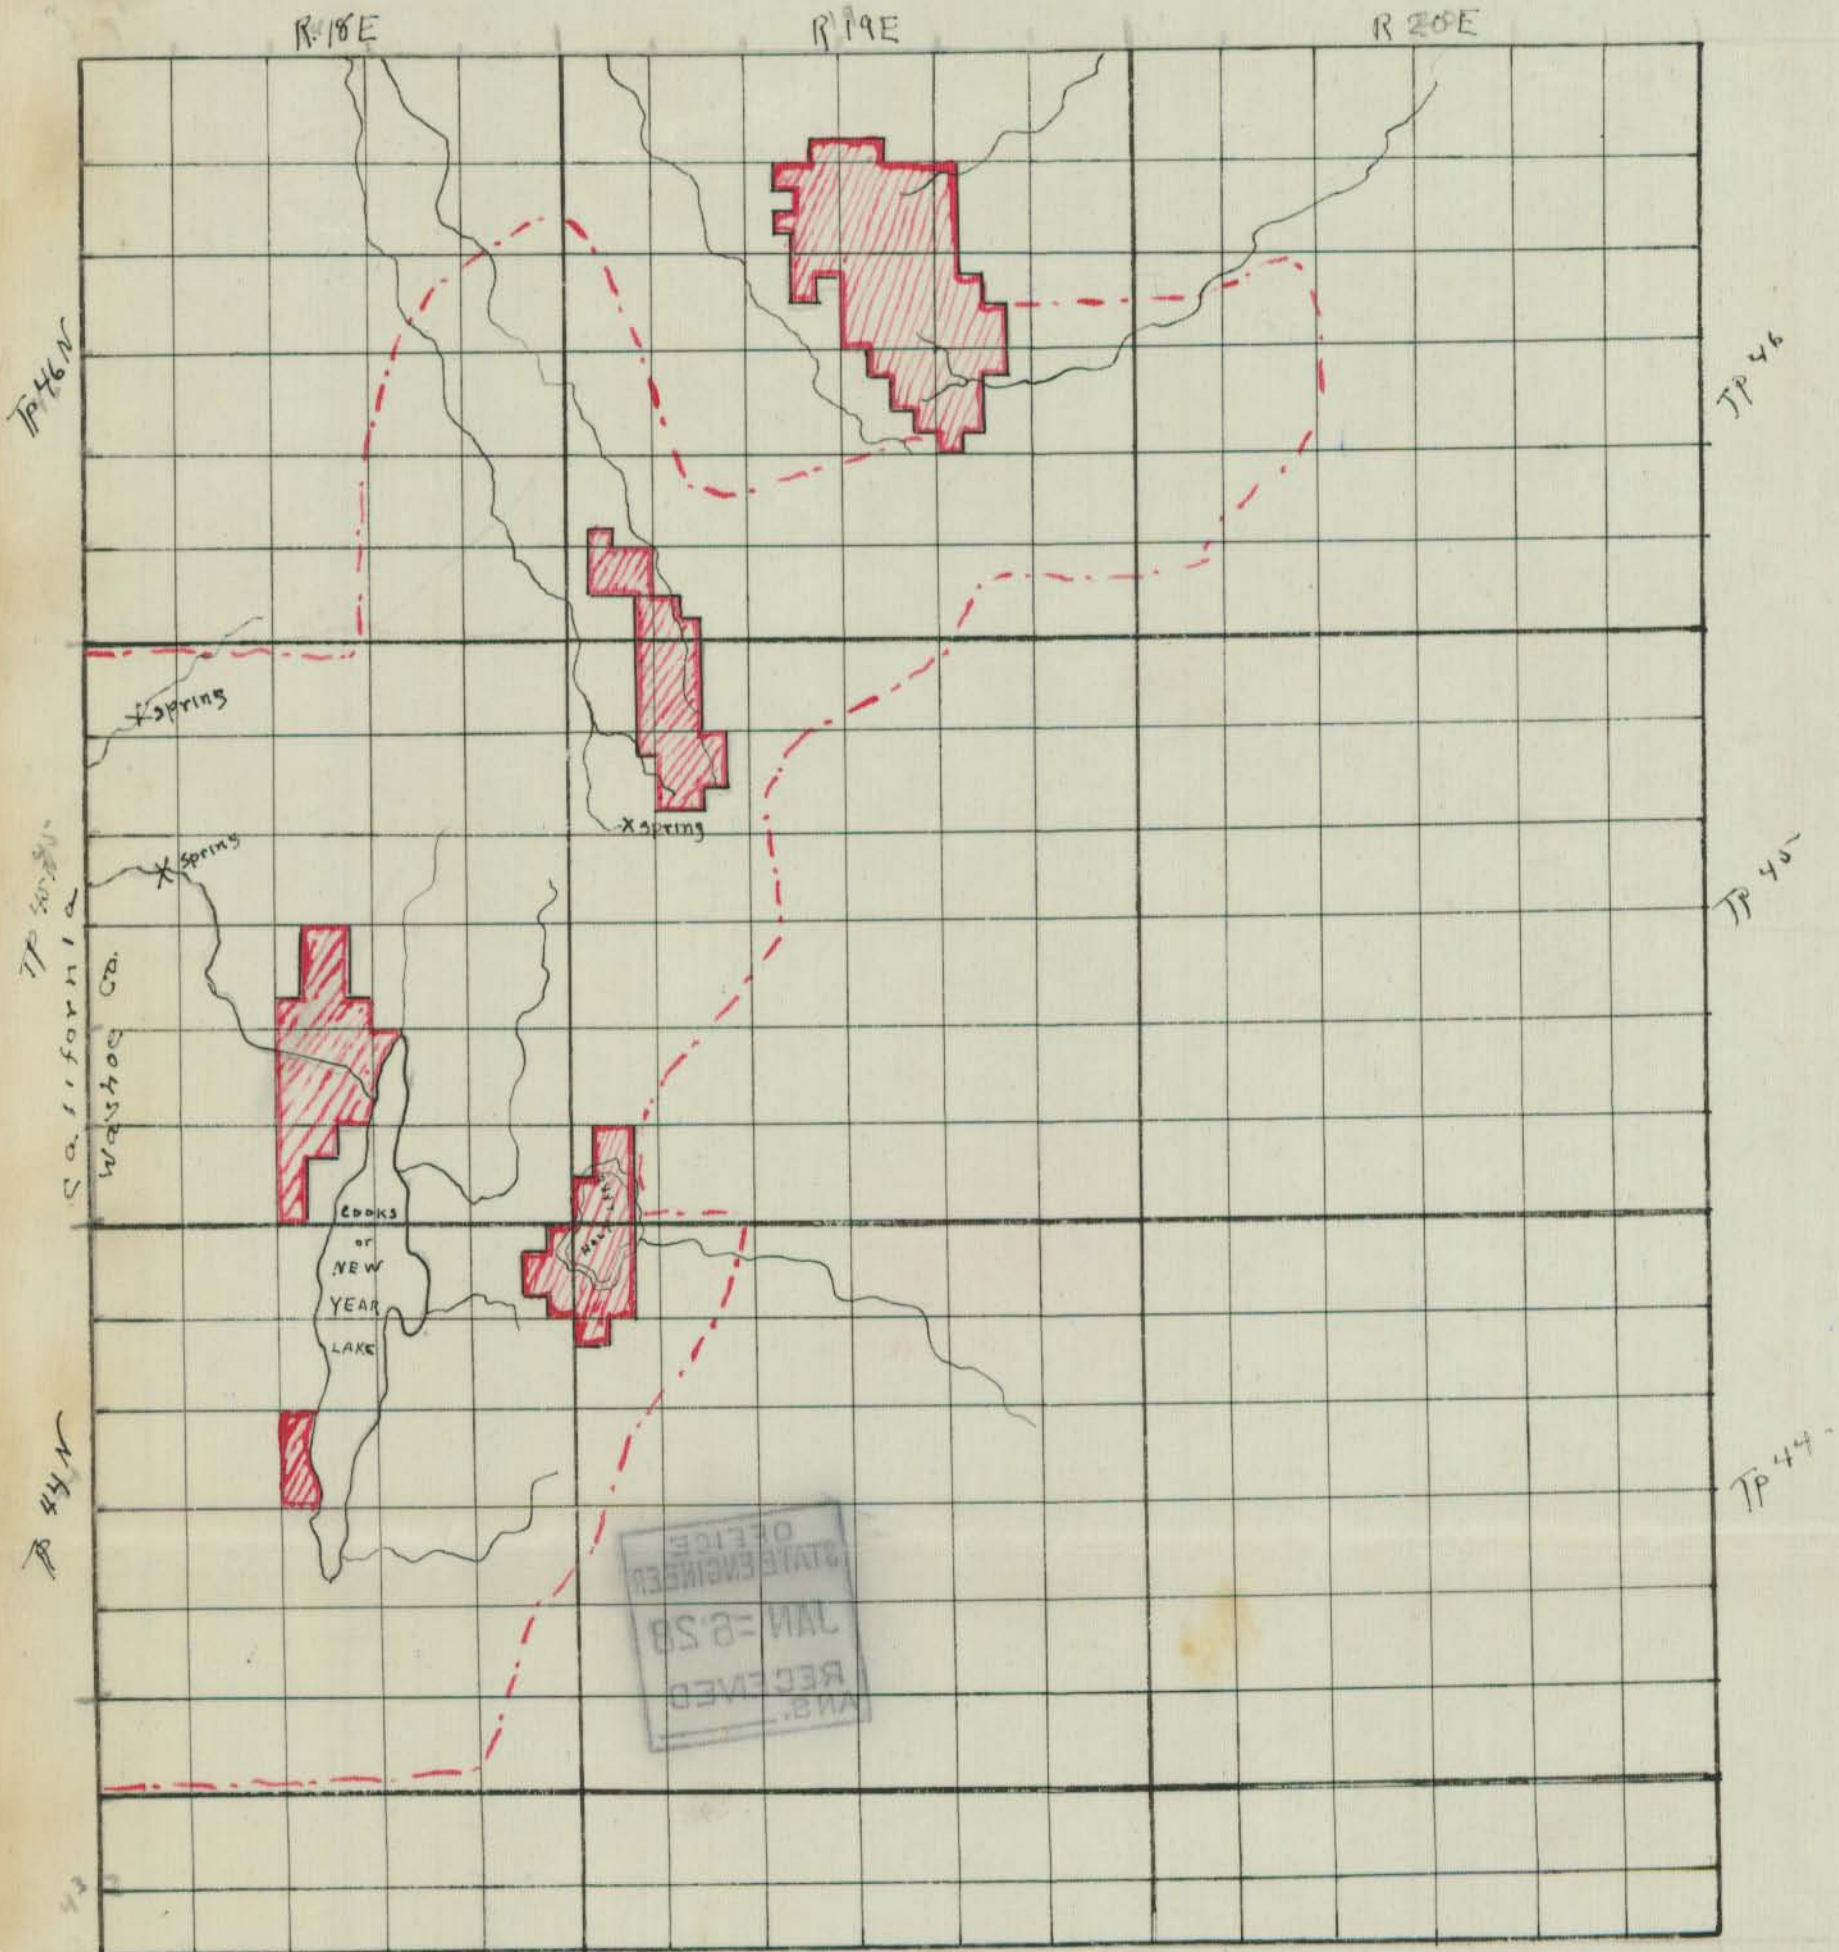

29

Presenting an approximation of the trails and ranges used by E.J. FEE for cattle and FEE AND MARTIN for sheep. Township lines and surveyed areas probably not strictly accurate. ■ Represents decided + state contract lands owned by the outfits. Trails and ranges used at present are outlined in red. Total distance from winter ranges in Washoe and Pershing about 120 miles to summer ranges in Modoc Co. Cal. and Lake Co. Oregon About 6000 acres patented + state contract lands owned in Washoe Co. No real estate owned in other Nevada counties. Trails and ranges conflict at many points with those of other outfits.

L.J. Fee, Dec 25, 1927

90-30

- ▨ Represents Deeded or State Contract Lands of E.J. Fee
- - - Represents Range controlled by E.J. Fee used by E.J. Fee - cattle and Fee + Martin, sheep
- X = springs upon which E.J. Fee intends to make formal filings under Nevada Law (approximate location)
