

IN THE MATTER OF APPLICATION NO. 98)
FILED MAY 17, 1906, BY LOMPA AND)
HISKEY FOR THE WATERS OF FOUR SPRINGS)
IN NEVADA.)

R U L I N G

General:

Application No. 98 was filed on May 17, 1906 by Lompa and Hiskey for 1.0 c.f.s. of water from four springs. The point of diversion, place of use and intended use were not described on this application. A letter dated July 26, 1968, was sent by certified mail to the applicants at their available address requesting additional information. This letter was returned by the Post Office Department marked "No such town in state named". It is the responsibility of the applicants or their successors in interest to keep this office informed of their correct mailing address.

RULING.

Application 98 is herewith denied on the grounds that the applicants or their successors in interest have failed to submit requested additional information, and that the granting of this application without the requested information would be detrimental to the public welfare.

Respectfully Submitted,

Roland D. Westergard
State Engineer
