TO APPROPRIATE WATER FROM GRANITE }  
SPRING IN NYE COUNTY, NEVADA. }

R U L I N G

General:

Application No. 149 was filed on July 7, 1966 by Jacob Schmit and C. R. Evans to appropriate all the flow of Granite Spring. The proposed point of diversion, manner, and place of use were not described on the application.

A letter dated July 26, 1968 was sent by certified mail to the best available address for the applicant requesting additional information necessary before a permit can be granted under this application. This letter was returned, stamped "unknown", by the Post Office Department. It is the responsibility of the applicant or their successors in interest to keep this office informed of their current mailing address.

RULING

Application No. 149 is herewith denied on the grounds that the applicant or their successors in interest failed to submit the requested information and the approval of this application, without this information, would be detrimental to the public welfare.

Respectfully Submitted,

  
Roland D. Westergard  
State Engineer
