

IN THE MATTER OF APPLICATION NO.)
334 FILED BY HARRY MCCREARY TO)
APPROPRIATE WATER FROM AN UNSPECIFIED) R U L I N G
SOURCE IN NEVADA)

GENERAL:

Application No. 334 was filed January 9, 1907 by Harry McCreary for permission to appropriate an unspecified quantity of water from an unspecified source for mining, power, milling and domestic purposes.

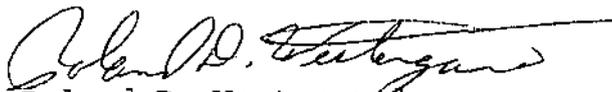

The proposed point of diversion and place of use were not described on said application.

A letter dated September 13, 1968 was sent by certified mail to the best available address for the applicant requesting additional information. This letter was returned stamped "insufficient address" by the post office department. It is the responsibility of the applicant or his successors in interest to keep this office informed of their mailing address.

RULING

Application No. 334 is herewith denied on the grounds that the applicant or his successors in interest failed to submit the requested information and the granting of a permit without said information would be detrimental to the public welfare.

Respectfully submitted,

Roland D. Westergard
State Engineer
