COUNTY, NEVADA. }

R U L I N G

GENERAL:

LD Application 8799 was filed on December 28, 1928 for 1.0 cfs of water for stockwatering purposes. The proposed source is an unnamed spring and is to be diverted in the SW $\frac{1}{4}$ SE $\frac{1}{4}$, Section 3, T. 47 N., R. 62 E., M.D.B.&M.

A letter was sent to the applicant on June 30, 1969 by certified mail requesting additional information necessary before action could be taken on this application. The letter was returned by the Postal Department stamped, "unknown". It is the responsibility of the applicant or his successors in interest to keep this office informed of their current mailing address.

RULING

Application 8799 is herewith denied on the grounds that the applicant or his successors in interest failed to submit the information requested and the approval of this application without the information requested, would be detrimental to the public welfare.

Respectfully submitted,

Roland D. Westergard
State Engineer
