R U L I N G

General:

Application 8413 was filed by Clarks Valley Land and Sheep Co., Inc. on December 29, 1927 for permission to appropriate an unspecified amount of water from Indian Spring for stockwatering purposes. The proposed point of diversion and place of use is described as within the SW $\frac{1}{2}$ SW $\frac{1}{2}$  Section 23, T. 33 N., R. 18 E., M.D.B.&M.

A protest was filed under this application by Peter Laxalt on March 1, 1928.

Correspondence in the file indicates that Mr. John Espil is the successor in interest to this application. However, no assignments have been made. A letter was sent to Mr. Espil by certified mail on March 23, 1970 requesting additional information necessary before a permit could be issued under this application. A return receipt signed by Brent Espil was received in this office on March 30, 1970. No reply has been received to this letter.

Ruling

Application 8413 is herewith denied on the grounds that the applicant failed to submit the required information necessary before a permit could be issued under this application.

Respectfully submitted,

  
Roland D. Westergard  
State Engineer
